430

St. Augustine, bishop of Hippo
for 35 years died. He was a strong
defender of orthodox doctrine against
Manichaeism, Donatism and
Pelagianism

the band of Vandals that crossed the Strait of Gibraltar in 429 finally reached Augustine's city of Hippo in 430.

the aging bishop (then 75 yrs old) joined in the collective effort to organize the city's defenses and to care for thousands of refugees from other Roman towns pressed into

the city walls

Midsummer 430

Duncan: Cal

The city of HIPPO was completely surrounded by the Vandals who set up a 14-month siege. Inside the walls, the people grew ~~hungry~~ hungry as the Vandals hemmed them in from land and sea. Then they became sick with an illness that spread quickly through the crowds.

living in makeshift, unsanitary
conditions.

Stricken with fever, Augustus
was sent to bed sometime in August.
He died a short time later, several
months before the invaders
conquered the city which Rome was
forced to cede to the Vandals.

The Goths once again marched on ARLES, But Aëtius was on the spot and the Goths withdrew; their leader was captured by the Romans

C 430 → 524

Rules of Toulouze had the following responsibilities : (1) The Sotho King was head of the African tribal church (a position derived from barotsi tradition), but he also became head of the Catholic church of his known subjects. (2) The king was commander-in-chief of his tribe's military forces. (3) The king functioned as the highest legislative authority and as judge. (4) He conducted foreign policy and supervised the domestic administration of his realm. In

legal language the King's words thus read:

"the exercise of the royal prerogative consisted in
exercising authority, the right to pass laws
and statutory regulations, the power to tax
and enforce the laws, and finally, jurisdiction

over the church, the King of Toulouse left

and granted in the hands of the Roman admirals-
trading, especially the Arabs and their partners
A comes civitatis was in command of ca. 9th to 19
city-districts ~~the~~ the father's kingdom ~~of~~ of Spain
dominated after Louis assumed power.
